Pool opening will be delayed

Our pool is currently being prepared for opening. The actual date for opening will be announced when it is known.

Once opened, health officials may call for limiting the number of people in the pool area.

Our top priority is the safety and health of our community and we will abide by the guidance given by local health officials.

Please adhere to any rules that will be posted on the entrance gate.

Thank you for your understanding and cooperation.

We replaced 15 deck chairs last year. Once opened, stop over and enjoy your community pool.

(As a reminder: H.O.A. dues must be paid in full to obtain the new code for the pool and tennis court gates.)

POOL BATHROOM REMODELED

David Millard and Randy Bateman spent some time in March to update the pool bathroom.

The outdated sink was replaced with a new vanity and faucet.

The ceiling and walls were repainted.

Shelving on the wall was eliminated.

A new door was also installed by a contractor, replacing the damaged door.

TENNIS COURTS CLEANED

We had a contractor come in and power wash the tennis courts with a special machine. The surfaces were getting dangerously slick with a build up of mildew. The cleaning will ensure that the tennis players will have firm footing while on the courts. The specialized power washing will be budgeted for every 3-4 years to ensure a safe playing surface.

The courts also provide a source of income as they are used by league play.

ENTRANCE SIGNS REPAIR

We are currently out to bid for repairs to our entrance signs.

The Cameron Park signs will be scrapped, painted, secured and resealed on both sides.

The Cameron Glen sign on the west side will be scrapped, painted, secured, and resealed .

The east side will be completely replaced with a new High Density Urethane (HDU) sign.
